About Me

I started my creative journey in graphic design and later discovered my passion for motion graphics and CGI. Over the past seven years, I've honed my skills in crafting visual stories that combine design, animation, and marketing. I'm confident in my ability to deliver a complete visual package that helps brands stand out through powerful storytelling.

Education

Bachelor's Degree in Mechanical Engineering
Ferdowsi University of Mashhad (2014-2019)

Work Experience

2019-2021: Motion Graphic Designer / Video Editor /
Videographer - Ahanresan Corporation, Mashhad, Iran
2021- now : Freelance Video Editor/Motion Graphic Designer

Skills & Tools

My core tools are **Adobe After Effects**, **Blender**, and **Premiere Pro**. Throughout my professional journey I've also worked with a range of creative and technical software, including:

Adobe Photoshop, **Adobe Illustrator**, **Figma**, **DaVinci Resolve**, **FL Studio**, and **Audacity**.

In addition, with over six years of experience in piano performance and music composition, I bring an extra dimension to my projects by **designing original soundtracks** and audio elements that perfectly complement the visuals.
